## City Council Takes Action on Problem

PLACENTIA — A solution to problems caused by heavy traffic on Tuffree Boulevard going to Tuffree Hill Park was presented to the City Council at its regular meeting last Tuesday.

The problems were caused by the use of the park by the Placentia Little League and the Placentia-Yorba Linda Junior All-American football program.

During games, practices, and try-outs the street was heavily congested with traffic, causing inconvenience to homeowners on the street.

The council will now require each organization using the park to post a traffic control guard at Tuffree and Borromeo to divert traffic to the Tuffree Intermediate School parking lot rather than to the park.

Only vehicles with athletic equipment or managers would be allowed to pass the traffic controller. The city further stated that if the leagues did not properly control their own traffic they would be required to secure the services of a special police officer to control traffic.

In other action the council voted to submit an entry in the All-American Cities competition, approved a final tract map for Richard B. Smith's development between Kraemer Boulevard and Bradford avenue at Morse Avenue, and tentatively set August 31 at 7:30 p.m. at the Backs Building for a joint meeting with the Placentia Unified School District Board of Trustees.

## Board Meets, Reviews 1971 Budget, Bids

YORBA LINDA — A final report on the budget, as completed June 30, headlined the agenda of the monthly meeting of the Yorba Linda School District's board of trustees.

Presented by Assistant Superintendent J. Elton Patridge, the report detailed income and expenditures for the fiscal year 1970-71.

Expenditures totaled \$137,366.68, less 1969-70 accounts which were received this year and liability adjustments which made the total \$136,087.14.

The beginning balance as of July 1, is \$218,392.21.

Expenses incurred were headed by cost of instruction, salaries and maintenance and operation of plant including classified salaries.

In further board action, the trustees voted to use money from the district's general fund to pay for building costs as incurred by Yorba Linda's exceptional children who are educated on a contract basis in another district. A bid for instructional supplies was also awarded to the lowest qualified bidder for 1971-72, and a gift of aquarium equipment presented by the Yorba Linda Women's Club gratefully accepted.

Placentia Vice-Mayor Robert Langer welcomes newly appointed Beautification Commissioner Yvonne Smith and Recreation and Parks Commissioner Vicki Jones to the city family. The two girls will serve as the coming year's teenage commissioners.

## Entries Now Being Taken For Heritage Days Parade

PLACENTIA — The Placentia Jaycee Heritage Festival Days parade committee is hard at work contacting prospects for this year's annual procession and signing up the first entries, the committee reported this week.

Further planning on the parade and other activities of the nine day festival week, to be held this year from September 25 through October 3, will continue at the board of directors meeting at 8 p.m. Wednesday, August 11 in the Backs Community Building.

Tom Shipkey, vice president of the board, who will preside, said that street banners for the festival will be discussed as well as suggestions made for additional activities to fill in days when no program is presently scheduled.

Several feature events to take place during the family picnic that follows the parade, October 2, also will be brought before the group.

Shipkey also is a member of the Placentia Chamber of Commerce

## LAFC Removes Pearson As Commissioner

SANTA ANA — In a very brief meeting early Monday morning three members of the Local Agency Formation Commission voted to remove Commissioner Charles Pearson and replace him with Herbert Licker, an Anaheim attorney.

Board members present were Supervisors Robert Battin and Ronald Caspers and Joe Hyde.

Prior to the meeting 21 county mayors met and voted unanimously to replace Hyde with Fullerton City Councilman Louis Reinhardt, who held the seat prior to Hyde's election.

An attorney was in the audience to serve a writ forbidding the LAFC from meeting but the action was taken and the meeting adjourned before he could serve the papers.

The League of Cities has twice removed Hyde as their representative to the commission and Hyde has resigned effective August 12.

## PUSD Approves Final Budget For 1971-72

PLACENTIA — A final budget totaling \$11,409,362 with an undistributed reserve of \$726,697 was approved by the Board of Education of the Placentia Unified School District last Wednesday evening following a lengthy public hearing.

The budget is virtually the same as the publication budget approved last month.

Due to a last minute change in the Collier factor received from the state August 4, total income dropped \$58,819, reducing the reserve to its present level.

The budget represents an increase over last year's \$10,531,468 of \$877,894. The tax rate would increase a total of 18.49 cents to a new rate of \$5.3389 per \$100 assessed valuation.

The major tax rate increases are 10 cents for a new fire and burglar alarm system and 21.56 cents for the \$600 fringe benefit package being offered local teachers.

The new budget shows a decrease in state aid and an

## YL Planners Continue Two Tentative Maps, OK One

YORBA LINDA — The Planning Commission Monday evening voted a two-week continuance for two tract maps which contained flag or panhandle lots. These lots were located in odd-shaped tracts and are less than 60 feet in width which is the minimum set up in the city's subdivision act.

Brian Hawley, planning director, suggested that a recommendation be made to the City Council to amend the subdivision act to permit panhandle lots under exceptional conditions.

Another tentative map was

## Highway Hearings To Be Held

SANTA ANA — Assemblyman John V. Briggs announced last week that the California Department of Public Works will hold a series of public meetings in August to discuss state highway studies.

The Orange County public meeting will be held on Wednesday evening, August 18, at 7:30 p.m. at the Saddleback High School Forum, 2802 South Flower, Santa Ana.

PLACENTIA — The Board of Trustees of the Placentia District Library voted Monday evening to begin procedures for annexations of two areas in the Yorba Linda Library District in the City of Placentia and deannexations of three areas, one in Brea, one in Yorba Linda and one in Anaheim as part of a program for bringing

increase in local tax revenues.

Prior to approving the budget the board defeated by a tie vote a proposal to freeze hiring of new classified positions which the administration says are badly needed.

## School Board Changes Action On Benefits

PLACENTIA — Members of the Board of Trustees of the Placentia Unified School District voted after a special meeting last Wednesday to rescind their action giving final approval to the proposed fringe benefit program for employees.

The program will now be considered as a proposed model for a fringe benefit program for employees and will continue to be discussed with employee groups.

The board instructed its representative, John Tynes, to arrange a meeting with the teachers and the classified organizations to discuss the details of the proposed program.

The board is proposing a \$600 fringe benefit package with choices of several different types of insurance available to employees at their discretion. Present fringe benefits amount to about \$212 per employee.

Financing for the benefit proposal will come from a 21 cent permissive tax override levied by the board rather than from other revenues. The tax is included in the final budget adopted by the board last week.

## YL Library Board Accepts Plan To Buy New Copier

YORBA LINDA — At the August 5 meeting of the Board of Trustees of the Yorba Linda District Library, members voted to purchase a new copying machine for the library.

The machine will permit the library to copy the various forms that it uses as well as printed media it distributes to the public (booklists, bookmarks, etc.) without using outside printing facilities.

The board also approved payment of a charge for installing a sound system in the multipurpose room. The system is being donated to the library by the Service League.

The board denied a request to use the multipurpose room for a luncheon stating that the room is set up for handling "light refreshments only." On a request by a religious organization to use the room for a lecture, the Board decided that they would need more information before coming to a decision.

The next library board meeting is scheduled for September 2 at 7:30 p.m.

Word was received last week from Navy Chief Don and Mrs. (April) Lemons that their son, Larry had undergone surgery for the removal of a brain tumor.

While Chief Lemons was in Vietnam, Mrs. Lemons and children resided in Placentia, the children attending the local schools.

Larry is reported as making an excellent recovery. For Placentia friends who wish to write to Mrs. Lemons, the address is 15 49-B Ballard, Lee Hall, Virginia 23603.

## Police Dept. To License Bicycles

As part of its recently intensified bicycle safety program for the city, the Placentia Police Department this week has announced two new dates and places for the licensing of bicycles. These will be held in addition to the regularly scheduled Saturday licensing periods between 10 a.m. and 2 p.m. at the police facility, 120 South Bradford Avenue.

As a convenience to residents, special bicycle licensing stations are being set up at various parks throughout the city on certain days. The next has been set for Monday, August 23 at Vaqueros Park. The hours of these

programs are also 10 a.m. to 2 p.m.

Licensing of bicycles in the city is handled by the Placentia Police Explorer Post No. 910 under the direction of the police department. Permanent licenses are available at 25 cents each and aid the department greatly in the

recovery of bicycles which are lost or stolen.

According to authorities of the department, 194 bicycles were licensed last Saturday, July 31, nearly four times the weekly average. In the first of the city park licensing programs, 65 bicycles were

registered last Monday, August 2 at Koch Park.

Chief N. A. Traub has asked that residents be reminded that policemen have now been instructed to cite all unlicensed bicycles. These citations will make it necessary for the violator to appear at the police station and register the bike.

## Library Friends Make Crafts For Fiesta Day

Friends of the Yorba Linda District Library are keeping their fingers busy this summer creating crafts to be sold during the Fiesta Days Celebration on October 30.

The items being made are related to books and reading such as bookmarks, bookends, bookplates, pencil holders and paper weights.

The bookmarks are being turned out on an assembly line basis. Some are being crocheted into stretchy "bookworms." Others are felt which is made into long-tailed mice or colorful long-stemmed daisies.

The Friends of the Library booth will be located on Main Street in front of the Short and Paoli School of the Arts. To round out the crafts booth, the club also plans to sell a variety of home baked breads.

Bruns reports that Lopez is a fairly new camp site and in excellent condition. He pointed out several features of the area, which include a special place for swimming with a life guard at all times, a marina for boating, and good fishing grounds.

One night, very late, they heard a sound of crushing leaves and looked out to see twelve beautiful deer crossing the camp grounds.

## Club Honors President

Members of the Placentia Boys' Club will join members of hundreds of other Boys' Clubs on Tuesday, August 10, in observing the 97th anniversary of Herbert Hoover's birth.

John Badger, executive director, explained the late President's birthday has special significance for Boys' Club members.

"During Hoover's 28 years as board chairman of the Boys' Clubs of America, he enjoyed receiving birthday cards and simple home made gifts from Boys' Club members all over the country," Badger said. "Now, with our youth-guidance organization

grown to nearly 950,000 members of more than 935 Boys' Clubs, we just want to remember him on his birthday and all the good things he did for Boys' Clubs."

John Badger said Boys' Club members here will mark President Hoover's birthday by reciting the Boys' Club pledge in his honor.

In addition, Badger said,

special ceremonies will be held by the national Boys' Clubs organization at West Branch, Iowa, where Hoover was born and is buried. A huge floral wreath will be placed at the late President's grave by a uniformed guard of Boys' Club members.

Speaking at the ceremonies will be George Mardikian, San Francisco restauranteur, who has long been associated with the Boys' Club movement.

## Sewer Problems Outlined

Lucio C. Gomez, foreman in the Placentia Public Works Department recently gave some household suggestions that will not only save dollars for the householder, but the city of Placentia Maintenance Department.

Stopped up city sewage systems have been plaguing the department, and to alleviate the situation, the city calls upon a firm in Anaheim to come out with a special type of machine. This machine is an expensive item, and most cities are unable to afford one for their own use. The machine takes two men, experienced in "balling" out the sewage system to operate it.

"Most of the difficulty comes," states Gomez, "from the improper use of disposal systems. Coffee is already ground and when coffee grounds are placed in the disposal, they do not grind any further, but the water washes them down into the drain pipe and most often the grounds stick to the side."

Egg shells and grease are other factors for closing drains, and insoluble waste

paper has become a big factor, continued Gomez. Large amounts of waste paper flushed through the toilet system of a home, sometimes wads up and takes time to get through the system. What is the result? The system cannot carry any more water

through it, the water level rises at the manhole in the street and sometimes becomes so high that the manhole cover is forced off.

"The city crews will help whenever they can" said Gomez, "but the cooperation of the home owner is surely helpful."

## Boswells Vacation In Arizona

Mr. and Mrs. Robert Boswell, children Bobby, 5; Jennifer, 3; and Patrick, 1, of 16321 Shadburn, Placentia enjoyed a leisurely two weeks vacation when they left July 17, for Phoenix, Arizona where they visited with an aunt of Mrs. Boswell's.

They then motored to the Tonto National Forest in Arizona where they enjoyed a lovely cabin and just plain relaxed. The fishing that Bob (Mr. Boswell) had looked forward to, turned out to be quite a disappointment because not only there weren't any fish, but really very little water in the streams. He can't even tell a fish story, because the little ones that he did get he had to throw back.

They arrived home July 27 for a few days and then

### A Sequel: Ignorance Is 'Blitz' In A Whiplash

Last week this column reported Dr. Donald Brinkley's warning of the consequences of ignoring treatment for whiplash injuries. In his view, it is foolhardy to forego examination following any auto accident or fall as the tell-tale symptoms of a whiplash can be hidden for days, or even weeks.

However, when a whiplash is ignored, at its incidence, it can be devastating in the final analysis.

How devastating? In what way?

We put those questions to Dr. Brinkley and present here what could be considered a sequel to last week's article.

"Devastating is your word," said Dr. Brinkley. "But it is a good one."

"Consider such problems as traumatic arthritis, nerve root compression, myofibrosis, chronic disc re-injury, to name only a few, all can result from an untreated whiplash," says Dr. Brinkley. "And you can readily see how devastating."

Dr. Brinkley notes that following a whiplash, joint ligaments can heal with scar tissue if treatment is not sought following the injury.

"With scar tissue there is a loss of elasticity in the ligaments, which in itself can result in a loosened spinal joint."

"If the loose joint becomes unstable, traumatic arthritis may well result," he adds.

"Myofibrosis occurs," says Dr. Brinkley, "when the injured muscle and surrounding ligaments are replaced by the scar tissue."

The most common complication in whiplash is the aforementioned "nerve root compression."

"Nerve root pain is excruciating, as it radiates over an entire area serviced by the particular spinal nerve."

"Chronic disc re-injury sounds to be a logical danger of the untreated whiplash."

**Dr. Donald Brinkley**

motored to San Francisco, accompanied by Boswell's parents, Mr. and Mrs. Ed Boswell, 125 N. Annin, Fullerton. They drove up through scenic Highway 1 and viewed Santa Cruz and Stockton where they enjoyed dining at "Ye Old Hoosier Inn" which is well known for its antiques.

**Grays Visit**  
Mr. and Mrs. Al Gray and daughters Cindy, 14 and Christy, 11, of 410 Madison, Placentia selected Friday July 16, which happened to be Mrs. Gray's birthday to begin their vacation.

First stop on the agenda was Las Vegas where they enjoyed seeing Jack Benny. After staying overnight they motored on to Cortez, Colorado where they

This being Mrs. Boswell's first trip to San Francisco, they took in everything they could including Fisherman's Wharf, the Hungry I and the kids really enjoyed the cable cars. Shopping and sight-seeing was a pleasure for both families who arrived home on July 31.

observed the Pueblo Indians known to history as the Cliff Dwellers. While there, Cindy and Christy spent long saved money for charming Indian jewelry and purses.

While in Colorado the Gray's made a stop in Denver to visit friends, and then proceeded on to Hornick, Iowa to the home of Mr. and Mrs. Arthur Beem, parents of Mrs. Gray, and visited with a brother and his wife Mr. and Mrs. "Soupy" Campbell and also Jan's 8 5 - year-old grandmother.

After their most enjoyable stay with the Beem's (plenty of corn and fresh tomatoes), the Gray's left for Troy, St. Louis on July 26 to spend the remaining time with Mr. Gray's parents, Mr. and Mrs. Wallace Gray.

### Firemen; Police To Host Day

On Saturday, August 21 the Orangefair Mall, located at the intersection of Harbor Boulevard and Orangethorpe in Fullerton, will be alive with action. The day is dedicated to the hard-working men of the Fullerton Fire and Police Departments.

The fire department will conduct an aerial rescue from the top of one of the tall buildings on the Mall and will also "extinguish" a burning building and perform resuscitation drills.

The police department will display bicycle safety information, narcotics information and films, and will have a motorcycle officer go through a skill course on the east end of the Mall.

In addition, this year the parks and recreation department of Fullerton will feature informational displays on the new Fullerton mini-bike trail.

There will be hot dogs and cokes available at prices reminiscent of the "good old days".

"I know it sounds as if I'm over-simplifying to say: 'to ignore a whiplash is to play with fire.' But that is such an accurate description."

In other words, don't compound the problems of an accident with your own indifference.

"You know," says Dr. Brinkley, "just about every day I see a patient whose difficulties are traceable to old accidental injuries. They ignored the warning signs and are paying for it. As far as I'm concerned, 'their suffering is absolutely needless.'

(Note: The whiplash symptoms, whether immediate or delayed, are generally the stiff neck, head or neck pains, and an uneasiness — or tension — particularly upon awaking. The more serious symptoms such as restricted neck motions, headache, nausea, muscle spasms, etc., are considered absolute.)

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 415 W. Chapman - News Times Square, Placentia, Calif. 92670.

## Longeuay Injured In Crash

Seventeen-year-old Jerry Longeuay, 801 Brooklyn Ave., Placentia, survived a plane crash which killed his instructor. The El Dorado High School graduate had been taking flying lessons for several months and recently had a solo flight. Longeuay and his instructor

### Mary Bennett To Leave For Summer Visit

She will stay with Mr. and Mrs. William Hares. Mr. and Mrs. Hares were former Anaheim residents, prior to Mr. Hares going into the ministry. He is now manager of Pine Creek Camp.

was wrong. Around midnight, FAA authorities notified the Longeuays that the plane was missing, and a search was begun.

It was twenty-four hours after the crash that the wreckage was sited. Rescue teams found the dead pilot-instructor, strapped in the seat of the wrecked plane. Young Longeuay, injured, had crawled from the wreckage to the bottom of the canyon where the plane had crashed near Elsinore late Tuesday.

Longeuay is recovering from his ordeal at St. Jude Hospital where he is being treated for a broken jaw, and a broken ankle along with cuts and bruises. It is hoped that the injuries will not delay his entrance into Loyola University, Los Angeles, according to his mother.

# Richard Owens Named Principal At Tuffree School

The Placentia Unified School District Board of Education appointed Richard Owens as principal of the Tuffree Intermediate School, for the 1971-72 school year.

Owens, 41, has a strong educational background, having been an elementary teacher for thirteen years, a counselor at the junior high school level, an assistant principal at the intermediate level, and most recently, held the position of acting principal.

The newly appointed principal, with his wife Betty and two daughters, Christine and Rhonda, have

lived in Placentia for many years.

Owens will assume his new position effective

immediately.

Upon notification of his appointment and due to his current administrative

assignment, Owens expressed his pleasure at the appointment and indicated his eagerness to meet his

1971-72 staff and continue the strong program at the Tuffree Intermediate School.

Miss Kathy Rapp, 127 Wilson, Placentia who will become the bride of Jerry Lee Simpson, 604 Melody Lane, Placentia, on August 20 at the Placentia Presbyterian Church was honored at the Rapp residence on Saturday evening, July 31, with a

miscellaneous wedding shower given by her aunt Mrs. Hazel Stewart, 16642 Pine Street, Placentia.

Twenty-three guests were in attendance including relatives and friends from out of town, Mrs. Robert Vock, a cousin of Mrs. Rapp's from San Clemente;

Mrs. W. D. Purcell, a great-aunt of the bride to be from Orange; a cousin and her daughter, Mrs. Dorothy Stout and Susie from Orange; and a long time family friend, Mrs. Pauline Roberts from Garden Grove.

The lovely shower was

held on the Rapp patio which was attractively lighted with tiki torches, fresh flowers and soft playing background music which were favorite selections of the forth coming bride and groom.

Mrs. Stewart had baked and decorated the beautiful

shower cake with two hearts, each individually inscribed with Kathy and Jerry. The cake was aqua trimmed with yellow piping and accented with yellow hand made butterflies. Orange sherbet punch was also served along with pastel mints and nuts.

## Couples Vacation In Islands

Mr. and Mrs. Louis Henthorn and Mr. and Mrs. Homer Hurst returned Sunday night from a two week visit in the Hawaiian Islands. They toured most of the islands while in the south Pacific, and visited with some friends now living there.

## Work On City Drain Progressing

Progress continues on Placentia's \$1.2 million storm drain project in the westerly portion of the city. Through the week of July 23, slightly over 3% of the project was completed according to public works department officials.

Although approximately 16% of the contract period has elapsed, there have been normal delays caused by the contractor's move-in and start-up period and the fabrication of the reinforced concrete pipe; and the work appears to be on schedule with all work scheduled for completion by February, 1972.

Work is now being completed on Tuffree Boulevard from Bastanchury Road to Tuffree Reservoir, and paving should be reinstalled by August 13.

## Boy's Club To Host 'Hobos' Friday Night

The Boys' Club of Placentia, 529 W. Santa Fe, is presenting its annual "Hobo Night," Friday, August 13 at 8 p.m. "Hobo Night" is a fun-filled sleep over where members of the club are expected to come dressed as hobos.

The boys will start the festivities with a hot dog roast. Other activities will include games and contests, and judging and presenting of prizes to the best dressed hobos by the Boys' Club Staff. A spooky movie will end the evening and the boys will sleep over at the club.

Members of the club, between the ages of 7 to 12, are cordially invited to participate in this annual function. For many boys this will be the first overnight, away from home experience.

## Miss Pierotti Returns From History Tour

Miss Becky Pierotti, 15-year-old daughter of Mr. and Mrs. Don Pierotti, 501 St. John Way, Placentia returned to her home July 31 after a three weeks tour to the east with the Brea-Olinda High School "Highway History" group. Twenty-four students and

four advisors enjoyed the 707 TWA flight with their first stop being Philadelphia.

They toured the city on their first day and spent the night at Kingston, New York, then on to Sturbridge, Massachusetts where they viewed a musket demonstration. They toured

through Lexington, Concord, saw the House of Seven Gables and the Witch House in Salem, Massachusetts.

In Boston, they viewed Old Ironsides, and Bunker Hill. They walked the Freedom Trail and then drove to Plymouth,

Massachusetts where they saw Plymouth Rock and the Mayflower.

On July 18 they proceeded to Mystic Seaport, Connecticut, and then drove on into New York where of course, they went up the Empire State Building. They stayed three

days in New York, and Becky claims they saw "absolutely" everything.

Back in Philadelphia they viewed the Mint and saw a play "Birth of a Nation Pageant". They also took in the Liberty Bell, Independence Hall, and Carpenters Hall.

## Meet Your Local Officer

This week marks the beginning of a new series of articles, "Meet Your Placentia Police Officers." Each week several officers will be highlighted. The purpose of the series is to better acquaint the community with the police officers who serve them and to show that a police officer

is truly a part of the community and not apart from the community.

Police officers are your neighbors, friends, family men, students, have hobbies and share many of the same problems that the average citizen experiences in their daily lives.

In order to become a

### Dave Barr Is Active In Town

Officer David S. Barr of the Placentia Police Department has been officially recognized by the Department and the City as an outstanding example of the type of individual that it takes to be a successful modern law enforcement officer. Not only is Barr highly respected in local police circles, but he is also a leading citizen of the community and a popular friend of local youth.

Cited for his efforts and overall performance with the department, Barr was awarded the Placentia Police Department Officer-of-the Year Award in 1967. In addition, in recognition of his numerous contributions to the City of Placentia and the surrounding community as well, he was selected for the George Koch Memorial Award in 1968 as Placentia Employee-of-the-Year.

Barr, 27, joined the Placentia police in July, 1965, assigned to the department's patrol division. He later served as an acting sergeant in that division. Some of Barr's special assignments for the department have included serving as school safety officer, director of the school safety patrol, adviser to the department-sponsored Police Explorer Post, department instructor of first aid, and acting as a special guest speaker for local schools and civic groups. Barr's key interests in law enforcement lie in the immediate areas of school and community relations.

Serving actively in the community, Officer Barr holds memberships in the Orange County Peace Officers' Association, Friends To Take Trip To Theater

On September 11, the public is invited by the Friends of the Placentia library to Old Globe Theatre, to see the matinee of "A Midsummer Night's Dream".

Transportation will be made available by chartered bus which will leave from the Placentia Library at 9 a.m. and arriving back at 7 p.m.

The price is \$7.50 for adults and \$5.50 for students, the deadline for reservations is August 17. Seats may be reserved by calling 871-4625.

police officer, a candidate must successfully complete a written examination, oral board examination, physical agility test, physical examination, polygraph (lie detector) examination, personality evaluation, and a highly critical background investigation.

If a candidate is successful in all of these processes and becomes a police officer, he is placed on probation for a period from one year to eighteen months. During their probationary period they must attend a training academy that is a blend of mental and physical training which includes academic achievement, stress training, physical fitness, self-defense tactics, weapons training, community and human relations and personality development. If he fails any of the major elements, he is washed out of the department. After the academy he is assigned to work with experienced officers and scrutinized very closely during this period.

### Dean Bosche Is Native To Area

Born in Los Angeles, Sgt. Dean A. Bosche, 41, has spent nearly his entire lifetime in the Placentia-Yorba Linda area. When he first joined the Placentia Police Department in 1954, it was only a three-man Department. Since then, both the Department and the City have increased in size more than ten times, and, both are still growing rapidly. Sgt. Bosche has served as an integral part of this growth.

Bosche received his local education at Bradford Avenue and Valencia High Schools, as well as attending Fullerton Junior College. He is a veteran of the U. S. Air Force in which he served as a member of the Air Police division from 1950-1954, also completing a tour of duty in Korea during 1953-54. After leaving the service, Bosche served as a Placentia Reserve Officer before becoming a regular member of the Department staff in May, 1955.

In his career with the Department, Sgt. Bosche has been responsible for many Department firsts as well as assisting in the organization and

implementation of many departmental programs. In 1958, for instance, he became the first sergeant in the Placentia Police, comprised of five officers and the Chief. The next year, Bosche was elevated to the position of Acting Chief of Police while a new head was being sought for the Department. In addition, he has served as School Safety Officer, first Department Narcotics Investigator, Identification Officer, Training Officer, Department Photographer, and has acted as a guest speaker for numerous local service clubs and civic groups.

His career in law enforcement not limited exclusively to Placentia, Bosche resigned the force to become a member of the Calaveras County Sheriff's Department for four years. He returned to Placentia in 1963.

Bosche and his wife, Mary, were married at the Placentia Calvary Church fifteen years ago. They are currently residing in Placentia with their three sons, Mervin, David, and Donald ranging in age from seven to 12 years.

Mrs. Frank Morse and Mrs. Eugene Roberts of the Yorba Linda Junior Women's Club work with some of their arts and crafts class. From left are Monica Scholten, Valerie Tjelmenand, Donna Roberts, Lisa Van Dyken, and David Spring.

## Mrs. Citizen Returns From UCSB Class

Mrs. Katherine Citizen, head librarian of the Yorba Linda Library District returned July 30 from Santa Barbara, where she attended University of California Extension's "Advanced Studies Program in Special Districts Management", a four-day study, the first of its kind in California.

The program consisted of five seminars covering public administration, law and legislation, financial management, human factors and communications.

## Towles Has New Position With Realtor

William R. Towles, 4782 Hamer Drive, Placentia, is pleased to announce his position with the Donald M. Bird, Associates, Realtors in Tustin. After 20 years in the aerospace industry, Towles was invited to join this firm primarily based on his education and professional background, which for the past eight years had been in marketing.

Towles, a graduate of the University of Southern California, is well known to North Orange County residents in his capacity as scholarship chairman for USC and for his activities as a member of the Executive Scholarship Board at the University.

His enrollment at Cal State Fullerton this fall is to further his studies towards fulfilling the requirements for his brokers license.

In his association with the Donald M. Bird, Associates, Towles is involved with the sale of Broadmoor Homes, home resales, property exchange and investments.

Towles, father of five children, and his wife, Alice, have been residents of Placentia for the past nine years, and have both taken an active part in local, church and civic affairs.

## Juniors Are Holding Arts, Crafts Class

The Junior Woman's Club of Yorba Linda has an active recreation group this summer who are teaching arts and crafts to 110 children in conjunction with the city's recreation program.

The project is under the direction of Mrs. Frank Morse, fine arts chairman. She is being assisted by other club members and the Volunteers.

The crafts are taught to children ages 6-13 years at the local schools, in two afternoon sessions three times a week.

## Nick Cruz Will Enjoy Vacation

Nick Cruz, Jr., well known to Placentians as the assistant manager of Michaels Market at Palm and Valencia in Placentia started a week of his summer vacation, Monday August 9.

Nick and his wife Susan and their four children, David, 6; John, 4; Michael, 3; and Donna, 11 months will enjoy the vacation by not going anywhere, but right in their own back yard.

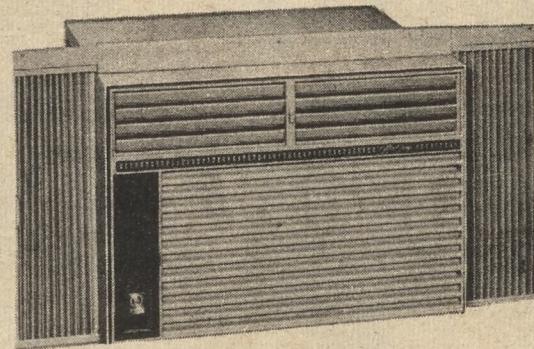

The family usually makes a yearly trip to Oregon, but this time around the reason for staying home is that their home at 17321 Yorkshire Avenue, Yorba Linda is brand new and there is plenty of unpacking to be done — Nick already uncovered his badminton set, so the unpacking is already considered a success.

Nick, who has been employed by Michaels for the past seven years, has been at the Placentia store for the last five. Prior to the Cruz family's move to their newly purchased home, they had resided in Brea and also Orange where they attended the Emmanuel Lutheran Church.

## Quad Wall Foundation Laid

"The hardest part is done," says Mike Stack, referring to the construction of a brick wall for El Dorado's senior quad.

Students recently laid the foundation row for the 32-inch wall and also completed half of the retaining wall, which is located on the hill of the theater area.

Stack, along with Steve Grosch and Doug Jaso, is heading the project while senior class president Mark Casciari is out of town.

## Miss Robinson Passes Nurse Examination

Miss Barbara Helen Robinson, daughter of Mr. and Mrs. James Robinson of Whittier, received word Saturday that she had successfully passed the state board examination and is now a Registered Nurse.

Miss Robinson took her training at Rio Honda College school of nursing section.

She is the granddaughter of Mrs. Florence Robinson of Placentia. Miss Robinson is employed at the Rancho Los Amigos Hospital.

The workers are now grading the quad area before concrete slabs are poured.

Last Saturday more bricks were laid, although the workers are now awaiting another shipment of bricks scheduled for August 16. After the bricks arrive work will probably continue the next weekend, August 21 and 22, although the schedule is on a day-to-day basis. Anyone interested in knowing exact times of work should contact Mike Stack at 528-8498.

Many seniors have helped with the work so far. The project has been made up of

## Robert Bennett Is Stationed In Germany

student labor with the exception of contractor John Granger and masons John Ephland and Harley McVay. Even Vice-Principal Jerry Jertberg has contributed to the project.

"It's coming along very well except for the two-week delay for the bricks," reflects Stack.

## Cassitys Visit Lake For Weekend

Lake Nacimiento, located 300 miles north of Placentia, was the site for the recent vacation of the Gary Cassity (Suzanne) family.

The Cassitys left July 23 for their week-long stay at the lake. All of the children (Jill, Kathleen, and Diane) went with their parents on the vacation.

The family stayed in a camper at the lake. They fished and the girls learned to water ski.

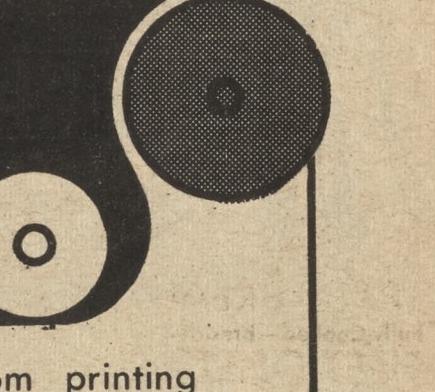

A surprise of the trip occurred when the Cassitys ran into the George Wood family at the lake, also from Placentia.

## Sorority Will Hold Picnic On August 15

## Dorothy Briggs Will Speak To Library Friends

Friends of the Yorba Linda District Library are pleased to announce that they will bring Dorothy Corkville Briggs to speak in the library's community room on Saturday evening, September 25.

Mrs. Briggs, who is the author of the book "Your Child's Self-Esteem - The Key To His Life", will speak on "How to Spell Love to Your Child."

The program will be open to the public and tickets may be purchased for a \$1.25 donation. Tickets may be obtained from all friends of the Library club members or picked up at the library on Lemon Street. Proceeds will be used to purchase additional library equipment.

## Mr. Harpole's Mother Visits West Coast

Mr. and Mrs. Robert Harpole have had as their guest, Harpole's mother, Mrs. Leon Harpole of Lakeland Florida. While Mrs. Harpole was in California, the Harpoles with Jeffrey and Shelly spent some time at Crestline.

by Elizabeth Redmon, graduate student, Department of Theatre, California State College, Fullerton, will be held outdoors in the northwest courtyard of the center.

The setting for the play is Farmer Dell's farm any time before the present. When the children of the neighborhood hound him with teasing, old Grandpa Thorntree vows revenge on them by giving them sticky nicknames which they can't get rid of. He even manages to stop the christening of the Dell's first two children and they are stuck with the names, "Baby One" and "Baby Two." When a third child is born, Farmer and Mrs. Dell work out a plan that will beat old Grandpa Thorntree at his own game.

This is not a traditional fairy tale, but an example of modern children's theatre with its use of a chorus to set time and place. There is a cast of 22, 16 of whom are children between 6 and 14 years of age.

A nominal donation will be charged. For further information, call 879-6860 or come to the Center.

## Blaylocks Entertain Australians

The Blaylocks entertained them with cocktails and dinner and toured around for a "look-see" at Orange County, including Disneyland. The visit from the Roberts was short because they were enroute to the North Sea.

## Volunteers Have Swim Party Friday

The Volunteers of Yorba Linda Recreation Department had a chance to relax for a change at a luncheon-swim party held last Friday.

Several mothers of children who are enrolled in the recreation program furnished food to honor the young people who are so active in the summer program.

## YL Boy Wins \$50 Albacore Jackpot

Steve Matych, 16, of Yorba Linda had a fishing experience he'll never forget last week when he went on his first albacore trip out of H&M Landing at San Diego on the "Fisherman," a 65 foot sportfishing boat. Steve hauled in a real tackle-buster of an "albie" weighing 35 pounds 10 ounces, winning the boat's \$50 jackpot.

Armed with a new rod and reel, Steve caught a total of five albacore, the first fish weighing 22 pounds and putting up a battle that burned out his reel. Using a borrowed reel he brought in the remainder

### Chalmans Camp At June Lake

Mr. and Mrs. Ronald Chalman of Pinehurst Street, and children, Craig, Shauna, Keith, Teresa and Pamela had a great camping vacation at June Lake.

On the return trip, the Chalmans met Mr. Chalman's parents, Mr. and Mrs. Charles Chalman of Sunnyvale, at Merced, and Shauna and Craig joined the senior Chalman's to return to Sunnyvale to spend additional vacation with their grandparents. The children will return home this week.

### Seminar Will End Tonight

The La Leche League of Fullerton will hold the last in a series of seminars tonight, August 11, at 8 p.m. on "Nutrition and Weaning".

All women interested in "The Womanly Art of Breastfeeding" are invited to attend the meeting.

of the fish including the prize longfin, his last catch of the day.

The albacore is known as the fightingest fish in the sea with the ability of a wild mustang. It took Steve 45 minutes to deck the winning

"albie" on the 25 pound test line.

At the dock Steve posed for a picture with the boat's captain because not only was his fish the largest albacore caught so far this season but it is the largest

albacore ever caught from the boat "Fisherman."

Steve was the guest of E. G. Williams Construction Co. of Placentia and was fishing with 16 fellow workers.

## Miss Pebley Weds Keller

Miss Jane Adele Pebley, daughter of Mr. and Mrs. James W. Pebley, 444 Morse Avenue, Placentia, became the bride of Robert Eugene Keller, Jr., son of Mr. and Mrs. Robert E. Keller, Sr., of Garden Grove. The ceremony took place July 9 at 8 p.m. at the Calvary Church, Placentia with the Reverend John Tebay, officiating.

The bride wore a long white nylon wedding dress of dotted swiss, which was designed with long sleeves, ruffles and lace, and an empire waistline trimmed with lace. The ruffles on the hem of her dress and collar were also trimmed with lace and the dress featured a long train.

The bride wore a Juliet cap which featured daisies centered with seed pearls which held her waist length veil. She carried a nosegay of pink and yellow baby roses and Stephanitis which was surrounded by white tea roses and white streamers.

Maid of Honor, Miss Linda Lanshaw, Fullerton, was dressed in a floor length pale yellow swiss with an empire waist, and a high necked collar which was ruffled and featured a trim of daisies.

Bridesmaids, Miss Peggy Kuster, Fullerton, and Mrs. Chris Clelland, Fullerton, wore dresses of pink dotted swiss which matched the style of the Maid of Honor.

Heather Johnson, age five, of Placentia wore the pale yellow dotted swiss and carried her basket of rose petals. Each attendant of the bride carried nosegays featuring the pink and yellow roses.

Serving the groom as his best man was Bruce Hay, of Buena Park, groomsman were David Keller, a brother and Jim Pebley, brother of the bride. Ushers were Kent Mitchell and John Clelland of Fullerton. The groom and his party all wore tuxedo's featuring white jackets.

Mrs. Pebley, mother of the bride, wore a long gown of mint green chiffon which was sleeveless and featured the empire waistline trimmed with lace.

Mrs. Keller, mother of the groom, wore a long gown of apricot polyester crepe, long sleeves and trimmed with an ercu lace.

The bride entered the church on the arm of her father down the center aisle which had been decorated with pink and yellow roses.

Pink candles were used tied with yellow bows.

The reception, which immediately followed the ceremony, was held in the church reception room. A toast was made for the bride and groom and then guests enjoyed a pink punch and a four-tier wedding cake which had been decorated with pink and yellow roses and trimmed with pale green piping. Nuts and mints accompanied the serving of cake and punch.

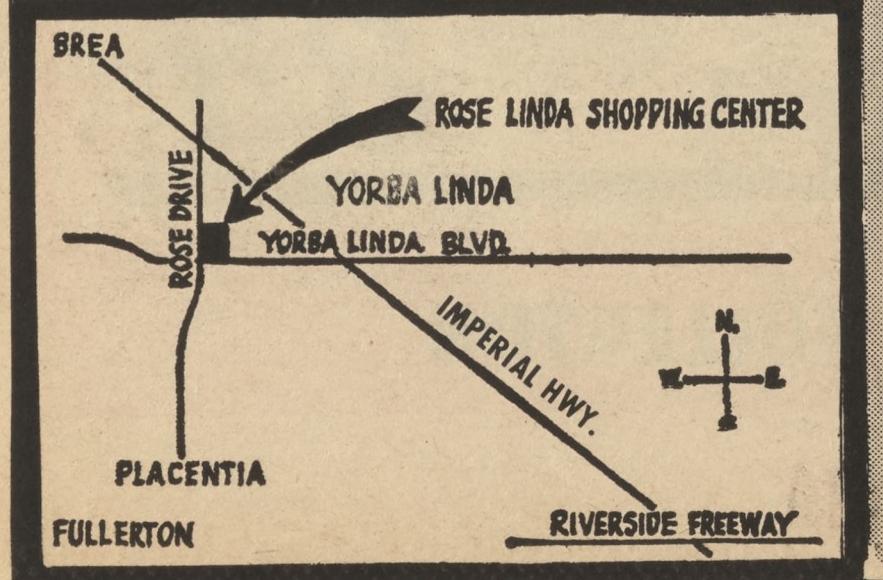

The bride wore a sleeveless pale green pant suit when they left for their week-end honeymoon in San Diego. The newly married couple now make their home in Davis Matham Air Force Base, Tucson, Arizona, where the groom is stationed.

## William Walker Is CSF Assistant Coach

## VHS #1 Defeats VHS #2

A strong Valencia No. 1 team defeated same school rival Valencia No. 2, 54-33, in a game held at the Tiger gym last week.

VHS No. 1, which led for the entire game, held the opposition to a two-point second quarter. Coach Fred Rodriguez depended on his five starters, Richard Hightower, Tom Ricks, Dane Ilertsen, Ron Severson, and Richard Hernandez.

Valencia No. 2 got off to a slow start as key turnovers and free throws by the No. 1 team caused them to fall behind 26-10 at the half. Hampered by ball control problems, the No. 2 squad was only able to score two points in the second quarter after a close first period, which ended with a 10-8 mark.

Third quarter results gave the No. 2 team six points to the foe's 12. Fourth period saw a short burst of strength as VHS No. 2 scored 17 points to No. 1's 16.

## McAteers Attend National Bridge Tournament In Chicago

Mrs. James McAtee of Wheeling, Illinois, formerly of Placentia, attended the 1971 National Bridge Tournament held at the Palmer House in Chicago last month.

The event was attended by 7,000 people from all over the world. Mrs. McAtee had the opportunity to meet many well known bridge experts including a blind player, an 11-year-old player and many other interesting people.

The McAteers were guests for dinner at the French Quarter Restaurant, managed by Robert Wong, who has relatives living in Orange County.

Members of the Placentia American Legion baseball team are, back from left, Coach Bucky Green, Mike Annabel, Damon Mustain, Terry Walling, Tony Madau, Ace Ellioff, Paul Reed, Coach Jerry McClellan; front from left, Jeff Mathiesen, Mike Garcia, Steve Tarbell, Larry Kaplan, Bucky Green, and front, bat boy Terry Green. Not pictured are bat boy Ray McClellan, and players Tom Oliveri, John Haddox, and Reg Salgado.

## All-star Games To Begin Tonight

Tonight at Valencia High School's gym, the Placentia city all star games will start at 6:15 p.m.

It will be the annual North-South clash with the fifth and sixth graders beginning at 6:15 and the seventh and eighth graders playing at 7:15.

South Coach Steve Nycum feels his team has a good chance of winning. "We can match the North's height and speed this year," claimed Nycum who's out for revenge after last year's defeat. Paul Gilbert, Mino Rodriguez, and Robert Zamora will lead the South.

North Coaches Jim Zures and Greg Hayes feel their team has great attitude with Jeff Heller, and Bob Sellers leading the North. In the

final standings at Tuffree, the Trojans won the NCAA, the Squires were the ABA champs, and the Bullets tied with the Bombers in the NBA. The Royals were first in the fifth and sixth grade league at VHS, while the Pacers won the seventh and eighth grade league.

South Coach, Nycum feels the North has too much strength in the seventh and eighth grade game for his team to win. "We will play a pressing man to man defense and hope to frustrate the North," stated Nycum. However Coach Kjell Taylor will count on his big guns, guard Kevin Heenan and Center Jeff Vizner.

## Jessup Family Returns From Trip To Europe

Gothic churches highlighted a stay in Europe for the Merrill Jessup (Joan) family, who recently returned after a month's vacation there.

The Jessups, along with children Jeanne, Greg, and Jody, toured England, Holland, Switzerland, Germany, France, Belgium, and Austria during their stay.

They rented a Volkswagen bus in London and traveled across Europe by car.

The family caught a glimpse of the Matterhorn in Switzerland, which was their favorite country

## John Parker Promoted To Meat Manager

W. L. Von Der Ahe, executive vice-president of Vons Grocery Co., recently announced the promotion of John Parker to the position of meat division manager.

In this new post, Parker will be charged with the operation of meat departments in all 100 Vons stores.

Parker first joined the Vons organization as a boy and later became an apprentice grocery clerk. After attending California Polytechnic College, where he received a degree in Animal Husbandry, John returned to the company in 1957 as an apprentice meat cutter. He worked his way through the ranks to become a department manager in 1961, was appointed assistant meat buyer in 1965 and in 1969 became head meat buyer, a position which he has held until the present.

Parker lives in Brea with his wife Marilyn and their three children.

## YL Recreation To Sponsor Water Fight

How do kids cool off in Yorba Linda? If they attend the special event on Friday, August 13 at Yorba Linda Junior High School, they participate in a gigantic water fight.

In a thank you note to President Mike Serna, Governor Partridge stated he was extremely pleased with the progress and future plans of the Placentia Rotary Club.

President Mike Serna, who has been a Rotary member

and officer for eight years, was cited with being a giant factor in this progress.

Serna's civic contributions have been numerous. Among his many time consuming activities have been, director of Placentia Chamber of Commerce, assistant district commissioner of Boy Scouts, North Orange County and chairman of the Rotary International.

## Mrs. Smith Returns From Vacation

Mrs. Ann Smith, account clerk in the Placentia Purchasing Department, returned to her desk Monday after a two week vacation in Virginia and Indiana. While in the mid-west Mrs. Smith visited her parents Mr. and Mrs. H. S. Watts, and her sister, Mrs. Jean Poe.

## Local Family Battle Skunk Invasion

Mr. and Mrs. Robert Wilton Hill, 512 Addy Avenue, Fullerton have not been enjoying their "unwanted pollution", namely skunks that are continually finding their way into the Hill's back yard.

During June and July they have really had it and are already worried about the visitors in August. The

alarm is set off by their long haired dachshund, "Liebshun", who starts barking madly when she has a skunk cornered in their back yard. Bob (Mr. Hill) immediately turns on his sprinklers and "Liebshun" really goes after the skunk, and gets him every time.

Needless to say, things get rather smelly in the

neighborhood, especially when the fight goes on outside of the Hill's master bedroom. The Hill's state that they seem to be losing friends in the neighborhood, "right and left" and claim that they are really not putting on "airs". Bob has his fabulous tomato garden (in the same back yard), but states that even though the plants are prolific with fruit

they seem to have a peculiar flavor.

Even though the Hill's aren't enjoying their unwelcome visitors, and neither is the Humane Society, on their many trips, the kids, Mark, 13; Bobby, 9 and Jannie, 5 at least have something to tell when school starts — providing that everyone is deodorized by that time.

Reverend Brostrom realized the growing need for a professional counseling service through his own pastoral work, and thus decided to arrange for the center.

The counselor works not only with conflicting spouses and children, but also with young people who have personal problems or teen-agers who are about to be married. According to California law now, teen-agers must have counseling before they take the big step.
